4/8/96 Dear Sir:

20 This is in response to the Final Office Action dated October 25, 1995. Please amend  
the subject application as follows.

**IN THE CLAIMS:**

Amend Claims 1, 5, 6, and 11 as follows:

Claim 1 (Twice Amended) An applicator and transfer device comprising:

- 25 (a) a frame having opposite sides;
- (b) a first nip roller rotatably mounted and extending between said sides of said  
frame;
- (c) a first mounting means for mounting a feed roll to said frame;
- (d) [a] second nip roller rotatively mounted and extending between said sides of  
said frame adjacent said first nip roller;
- 30 (e) [a] second mounting means for mounting a feed roll to said frame;
